

## SAFETY DATA SHEET

according to Work Health and Safety Regulations 2011

## Cryo Human Hepatocytes

| rsion 2.0                         | Revision Date 29.06.2021  | Print Date 18.04.2024 |
|-----------------------------------|---|-----------------------|
| CTION 1. PRODUCT AND COMPAI       | NY IDENTIFICATION   |                       |
|                                   |   |                       |
| Product name                      | : Cryo Human Hepatocytes  |                       |
| Synonyms                          | : Cryo Human Hpctyes, Pltable, Q:. Ind  | d                     |
| Material number                   | : HUCPG   |                       |
| Manufacturer or supplier's detail | s   |                       |
| Company                           | : Capsugel Australia Pty Ltd.<br>Suite 610, 12 Century Circuit<br>Norwest NSW 2153, Australia |                       |
|                                   | Lonza Ltd<br>Muenchensteinerstrasse 38<br>CH-4002 Basel, Switzerland                          |                       |
| Telephone                         | : Tel +61 3 9550 0883   |                       |
| Telefax                           | : Tel +61 3 9550 0890   |                       |
| E-mail address                    | : sds@lonza.com   |                       |
| Emergency telephone number        | : +41 61 313 94 94 (24h)  |                       |
| Recommended use of the chemi      | cal and restrictions on use   |                       |
| Recommended use                   | : Scientific research and development   |                       |

#### **SECTION 2. HAZARDS IDENTIFICATION**

| GHS Classification                                  |  |
|---|--|
| Not a hazardous substance or mixture.               |  |
| GHS label elements                                  |  |
| Not a hazardous substance or mixture.               |  |
| Other hazards which do not result in classification |  |
| No information available.                           |  |
|   |  |

#### SECTION 3. COMPOSITION/INFORMATION ON INGREDIENTS

| Substance / Mixture : Mixtu                | ıre     |                       |
|--|---------|-----------------------|
| Hazardous components                       |         |                       |
| Chemical name                              | CAS-No. | Concentration (% w/w) |
| Substances with a workplace exposure limit |         |                       |
| Dimethyl sulfoxide                         | 67-68-5 |                       |
| Sucrose                                    | 57-50-1 |                       |

#### **SECTION 4. FIRST AID MEASURES**

# Lonza

# Cryo Human Hepatocytes

| If inhaled   | : No special precautions required.   |
|--|--|
| In case of skin contact                                      | : Wash with water and soap as a precaution.<br>If skin irritation persists, call a physician.  |
| In case of eye contact                                       | : Immediately flush eye(s) with plenty of water.<br>If eye irritation persists, consult a specialist.  |
| If swallowed   | : Immediately give large quantities of water to drink.<br>Do not induce vomiting without medical advice.<br>Never give anything by mouth to an unconscious person. |
| Most important symptoms and ef fects, both acute and delayed | - : No information available.  |
| Notes to physician   | : No information available.  |
|  |  |

#### **SECTION 5. FIREFIGHTING MEASURES**

| Suitable extinguishing media                  | : Water spray<br>Dry powder<br>Foam                            |     |
|---|--|-----|
| Hazardous combustion products                 | : Carbon oxides (Cox)<br>Sulphur oxides (SOx)                  |     |
| Specific extinguishing methods                | : Use water spray to cool unopened containers.                 |     |
| Special protective equipment for firefighters | : In the event of fire, wear self-contained breathing apparate | us. |

#### SECTION 6. ACCIDENTAL RELEASE MEASURES

| Personal precautions, protective<br>equipment and emergency proce-<br>dures | : | Use personal protective equipment.   |
|---|---|--|
| Environmental precautions   | : | Prevent product from entering drains.  |
| Methods and materials for contain-<br>ment and cleaning up                  | : | Contain spillage, and then collect with non-combustible ab-<br>sorbent material, (e.g. sand, earth, diatomaceous earth, ver-<br>miculite) and place in container for disposal according to local<br>/ national regulations (see section 13). |

#### SECTION 7. HANDLING AND STORAGE

| Advice on protection against fire and explosion | : | Take precautionary measures against static discharges           | i.         |
|---|---|---|------------|
| Advice on safe handling                         | : | No special precautions required.                                |            |
| Hygiene measures                                | : | Handle in accordance with good industrial hygiene and practice. | safety     |
| Conditions for safe storage                     | : | No special storage conditions required.                         |            |
| Ref. / 00000033047                              |   | SDS_AU / EN   | Page 2 (7) |

### SECTION 8. EXPOSURE CONTROLS/PERSONAL PROTECTION

## Components with workplace control parameters

| Components         | CAS-No. | Value type<br>(Form of<br>exposure) | Control parame-<br>ters / Permissi-<br>ble concentra-<br>tion | Basis   |
|--------------------|---------|-------------------------------------|---|---------|
| Dimethyl sulfoxide | 67-68-5 | TWA                                 | 250 ppm   | WEEL    |
| Sucrose            | 57-50-1 | TWA (Inhal-<br>able dust.)          | 10 mg/m3  | AU NOEL |
|                    |         | TWA (Inspir-<br>able dust.)         | 10 mg/m3  | AU OEL  |
|                    |         | TWA                                 | 10 mg/m3  | ACGIH   |

| Engineering measures                                    | : | Avoid splashes.  |
|---|---|--|
| Personal protective equipment<br>Respiratory protection | : | No personal respiratory protective equipment normally re-<br>quired.   |
| Hand protection<br>Material<br>Rate of permeability     | • | Nitrile rubber<br>> 480 min  |
| Eye protection  | : | Tightly fitting safety goggles   |
| Skin and body protection                                | : | Choose body protection according to the amount and con-<br>centration of the dangerous substance at the work place.<br>No special protective equipment required. |

#### SECTION 9. PHYSICAL AND CHEMICAL PROPERTIES

| Appearance                              | : | Aqueous solution  |
|---|---|-------------------|
| Colour                                  | : | light brown       |
| Odour                                   | : | no data available |
| Odour Threshold                         | : | no data available |
| рН                                      | : | 6,8 - 7,2         |
| Melting point/freezing point            | : | no data available |
| Initial boiling point and boiling range | : | no data available |
| Flash point                             | : | does not flash    |
| Evaporation rate                        | : | no data available |
| Flammability (solid, gas)               | : | no data available |
|   |   |                   |

# Lonza

# **Cryo Human Hepatocytes**

| Flammability (liquids)                                | : | no data available |
|---|---|-------------------|
| Upper explosion limit / upper flam-<br>mability limit | : | no data available |
| Lower explosion limit / Lower flam-<br>mability limit | : | no data available |
| Vapour pressure                                       | : | no data available |
| Relative vapour density                               | : | no data available |
| Relative density                                      | : | no data available |
| Density   | : | no data available |
| Water solubility                                      | : | no data available |
| Partition coefficient: n-octanol/water                | : | no data available |
| Auto-ignition temperature                             | : | no data available |
| Decomposition temperature                             | : | no data available |
| Viscosity, dynamic                                    | : | no data available |
| Viscosity, kinematic                                  | : | no data available |

#### SECTION 10. STABILITY AND REACTIVITY

| Reactivity                         | : | Stable under recommended storage conditions. |
|------------------------------------|---|--|
| Chemical stability                 | : | Stable under normal conditions.              |
| Possibility of hazardous reactions | : | no data available                            |
| Conditions to avoid                | : | None known.                                  |
| Incompatible materials             | : | None known.                                  |

#### **SECTION 11. TOXICOLOGICAL INFORMATION**

### **Further information**

Remarks: No data is available on the product itself.

#### **SECTION 12. ECOLOGICAL INFORMATION**

|     | Ecotoxicity<br>Toxicity to fish | : | Remarks: no data available |           |
|-----|---------------------------------|---|----------------------------|-----------|
|     | Persistence and degradability   |   |                            |           |
|     | Biodegradability                | : | Result: no data available  |           |
| ?ef | / 00000033047                   |   | SDS ALL/EN                 | Page 4(7) |

| Bioaccumulative potential                        |                              |
|--|------------------------------|
| Bioaccumulation                                  | : Remarks: no data available |
| Mobility in soil                                 |                              |
| Distribution among environmental<br>compartments | : Remarks: no data available |
| Other adverse effects                            |                              |
| Additional ecological information                | : no data available          |

### **SECTION 13. DISPOSAL CONSIDERATIONS**

**Disposal methods** 

Waste from residues

: Dispose of in accordance with local regulations. Contact waste disposal services.

#### **SECTION 14. TRANSPORT INFORMATION**
